

Hi, I'm Zhan Rui from the Sec 4 graduating cohort.

On behalf of the Sec 4 students, I would like to thank the teachers who have been guiding us throughout our years here in SYDC.

Since Sec 1, our teachers have been teaching us more about Buddhism, allowing us to have a deeper understanding about Buddha's teachings. Also, our teachers have given us a lot of encouragement to become the best of ourselves, and we appreciate the efforts they have put in to groom us students in becoming more knowledgeable about Buddhism.

It isn't just through lessons that we learn about Buddhism, it's also through the thoroughly organized excursions during the year. Trips to places like Bukit Timah Nature Reserved, Pulau Ubin and a kayaking trip earlier this year helped us appreciate the beauty of nature.

Even though we are graduating this year, I wish to return back next year to help out in the society during my free time.

To the teachers of SYDC, we thank you for being patient with us in the past few years we had together as a class.
